2005 LEA Author Index

Leonardo Electronic Almanac Volume 13 January–July 2005

Leonardo Electronic Almanac (LEA) is Leonardo/ISAST's international peer-reviewed electronic journal and web archive covering the interaction of the arts, sciences, and technology. LEA emphasizes rapid publication of recent work and critical discussion on topics of current interest. Contents include feature articles; LEA Gallery exhibits of new media artwork by international artists; Leonardo Reviews, edited by Michael Punt; abstracts of recent Ph.D. and master's theses; and special issues on topics ranging from New Media Poetry to Zero Gravity Art to the History of New Media.

This index covers the period of January 2005 through July 2005. Due to differing production schedules, LMJ cannot include the full 2005 LEA index; however, the index will be posted on-line and updated through the rest of the year at <http://mitpress2.mit.edu/e-journals/LEA/TEXT/Vol_13/>, with links to text versions of the articles.
